Hi Chad & Hallee!

Hope you guys are doing well. First off, thanks for sending your expert report on the 25th. I haven't reviewed it yet, and I won't before we've had the chance to confer further.

Chad, I just left you a VM, and am following up with basically the same message here. I believe Toole County has working video footage, so we can send a request and/or subpoena to them. I'm guessing both experts would ideally want to review the footage before finalizing reports. With that in mind, what are your thoughts on a general 3-month extension of all pending dates (including CoreCivic's expert report)? Feel free to call my cell at 406-794-1448 if you'd like to discuss before 11:00.

Thanks!

Mindi
